To Whom It May Concern,

Please accept this letter as written confirmation of our working relationship with Nicholls Boreholes.

We have completed many projects with the Nicholls team to date and all have gone smoothly and been executed in a professional manner. The projects have been wide ranging from domestic houses to commercial installations.

Their work is clean and carried out to a high standard and ISOenergy have no qualms in recommending them for drilling operations.

Yours sincerely,

Stuart Laughton  
Sales Director
